Page 60 (Figure 5.19):

- Colour (TWT, ms) chart on right side of figure 5.19, is supposed to say 100 ms, not 85 ms.

Page 64 (section two, first sentence):

Corrected sentence:

At the Bjarmeland Platform the unit decreases from south to north and from west to east: from 35ms (TWT) in the north to 45ms (TWT) at the Polarstjernen Fault Complex in the south and 50ms (TWT) in the west to 15ms (TWT) at the Haapet Dome in the east (Figure 5.4, 5.7 and 5.21).

- The direction of thinning was wrong.

Page 66 (Figure 5.21):

- Colour (TWT, ms) chart on right side of figure 5.21, is supposed to say 50 ms, not 40 ms.

Page 72 (Figure 5.23):

- Colour (TWT, ms) chart on right side of figure 5.23, is supposed to say 50 ms, not 40 ms.

Page 79 (Table 5 - Column two (Bjarmeland Platform), row five (Fuglen Formation), bullet point two):

- 45ms to 35ms (TWT), from south to north.
