

Errata to PhD Thesis “Epithelial ovarian cancer”

Mie Jareid, 21 September 2022

- Added front cover image
- Page ii: Added acknowledgement to artist of front cover image
- Page iii: Added funding source
- Page iii: Slight change to sentence:

I thank Eiliv for giving me these challenges, Karina for making them seem surmountable. ~~Moving from topic to topic it has been a consistently steep learning curve,~~ and my coauthors for working with me in solving them.

- Page 3, Fig 1: Replaced modified illustration with a non-modified version. Obtained permission from the creator of the illustration to use it in my thesis. Added text crediting the creator.
- Page 11, Table 1: moved separator between columns 3 and 4 so that “borderlin e” becomes one word: “borderline”
